To Impulse Event Productions,

When my fiancé and I recently got engaged, we knew we had to have a great party with all of our family and friends, and we wanted to do it right away. Aside from saying yes to the proposal, working with Impulse NYC on our engagement party was the best decision we made.

Our party was planned efficiently, and they were able to customize the event to fit our large guest list, but kept it feeling personal with our expectations in mind. The service was impeccable and each and every guest was made to feel like a VIP. The food was delicious and the cocktails kept coming.

Impulse NYC made the start of our new life together memorable, and I can't wait to work with them again on our next celebration.

Warm Regards,
