David & Adam,

I just wanted to take this opportunity to let you know how much I enjoyed working with both of you as well as the entire Impulse team.

The events that we have worked on together have been flawless! I have worked with many event firms at Bowlmor Lanes & Pressure, but none compare to Impulse. Your outstanding client relations, attention to detail and professionalism are unparalleled in the industry.

Impulse is committed to developing unique and successful events that always run smoothly, and we have been consistently pleased with your personal attention and fabulous client base.

I look forward to our next event together!

Sincerely,

Jessica Setford  
Regional VP of Sales
